## CULTURAL PROGRAMS

Since 1965 the Educational and Cultural Trust Fund has sponsored countless cultural programs for the enrichment of thousands of Local Union #3, I.B.E.W. members and their families. The Trustees of the Joint Industry Board and the Educational and Cultural Trust Fund recognized the importance of culture in the development of its members and their families. This funding provides members with the opportunity to participate in cultural programs, which they may not otherwise afford to take the whole family to enjoy. Over the years, members have enjoyed great performances including: classical, folk, ballet, contemporary dance, country music, operas, musicals, symphony orchestra, children's theater, magic shows, comedy shows, pop festivals, international music and dance programs, and art festivals.

If you are an eligible member of Local Union #3, I.B.E.W. and would like to be placed on a pending list to be notified of future programming, please forward the attached coupon to the Educational and Cultural Trust Fund of the Electrical Industry.
