Dear Participant:

The recently negotiated collective bargaining agreement provided an increase in copayments from \$35 to \$50 for all active and non-Medicare retired participants who did not have a physical exam by October 10, 2020. This provision excluded spouses and dependent children.

However, due to the COVID-19 National Emergency that began in March 2020, which is still on-going, the **Trustees of the Plan have extended the deadline from October 10, 2020 to July 10, 2021. Therefore, the \$15 increase in copayments will not be implemented until July 11, 2021 for active and non-Medicare retired participants who have not had a physical exam.**

Reminders will be provided in the coming months concerning this matter.

If you have any further questions, you may contact the Hospitalization Department at 718 591-2000, extension 1350.

Sincerely,

Trustees of the Pension, Hospitalization
and Benefit Plan of the Electrical Industry
