Dear Participant:

As you know, \$2.90 cents per week has been deducted from your paycheck from January 1, 2020 to fund the Family Leave Benefit to comply with the New York State requirement. Due to expanded Paid Family Leave benefits under New York State law associated with the pandemic, weekly rates will increase for all 'A' rated and above employees. The deduction from your paycheck will increase to \$3.78 per week to fund this benefit during the remainder of 2020, effective May 28, 2020.

If you have any questions concerning the administration of the PFL, please call EESISIP at (718) 591-2800 or check the Joint Industry Board website at www.jibei.org.

Sincerely,
Joint Industry Board of the
Electrical Industry
